Brand New Book ***** Print on Demand *****.In a small Mississippi town, Ashley Butler is accused of murder. Her trial unearths a dark family secret. Monroe Lovett has moved to Peregrine, Mississippi to begin a new chapter in his life with his wife, Debbie. Years as a pastor have drained him of his desire to continue in church work. The only path he sees God laying out before him, is going back into law. Much to his chagrin, clients have not found their way to his office, and he is questioning his decision of making the move to Mississippi, wondering if he misinterpreted God s plan. A discussion seeking to save a family s reputation and a marriage, quickly evolved into a whole veil being ripped open. As law enforcement investigates the crime scene, the question quickly becomes, who committed this heinous act. Working off a tip and the evidence, Detective Carson puts out an arrest warrant. Ashley Butler hears from a friend that the sheriff s deputies are looking for her. Not seeing much hope for her future, believing that her life is about to end, if not physically, then by spending the rest of it behind bars, she seeks out the help of Lane County s newest defense attorney, Monroe T. Lovett. Knowing who holds the power in the county, she s not even sure that he can help her. She tells him that she is married to Marcus...
