

Classified List of Publications of the Carnegie Institution of Washington Volume 166 (Paperback)

By Carnegie Institution of Washington

Rarebooksclub.com, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1912 Excerpt: .identically the same apparatus, Oettel in Hempel s laboratory determined each day the carbon dioxide and oxygen of Dresden air from October 12, 1884, to December 24, 1884. Oettel s results are expressed in the form of a curve not easily reproduced, but table 40 shows his results from November 8 to 18. The duplicate analyses permit an estimate of the accuracy of the method he used. The figures also show the general extent of the variations he observed in the oxygen and carbondioxide content of the atmosphere. Table 40.--Determinations of oxygen in Dresden air, made by Oettel. A few months later Hempel, in defending the use of potassium pyrogallate from the criticism raised by Kreusler,1 published further experiments on air.1 In one sample of air he reports, as the result of four determinations in which carbon dioxide and oxygen were collectively absorbed, 20.936, 20.938, 20.938,...

Reviews

Thorough information! Its this kind of very good read. It is writter in basic words and not hard to understand. You wont feel monotony at anytime of your respective time (that's what catalogues are for regarding should you question me).

-- **Roel Bogisich Sr.**

It in one of the best publication. It is definitely simplistic but excitement in the 50 % in the ebook. I am very happy to let you know that this is basically the greatest publication i have got go through within my own existence and could be he greatest pdf for ever.
