*It is one of the best books. Better than ever, though I am quite late in starting to read this one. You won't feel monotony at any moment of the time (that's what catalogues are for regarding in the event you check with me).*

Kensington Publishing, United States, 2012. Paperback. Book Condition: New. 170 x 104 mm. Language: English . Brand New Book. The Greatest Western Writer Of The 21st Century Cotton Pickens is the most unlikely sheriff on the frontier. And when the town of Doubtful, Wyoming, explodes, Cotton will lay down the law. . .if the law doesn't lay him down first. No Whiskey? No Women? No Peace. . . It was a law Cotton Pickens never asked for and never wanted to enforce. But due to the vigilance of the Women's Temperance Society, and the timidity of their businessmen husbands, the town of Doubtful, Wyoming, is going dry. As of January 1st. No exceptions. No turning back. Doubtful's hell-raisers will not take this lying down, and Sheriff Pickens is fighting bootleggers and vigilantes when the next boot drops. The righteous women push through an even worse law bound to spark an outright insurrection. The world's oldest profession and Doubtful's favorite pastime--dallying with ladies of the evening--is the next vice to be outlawed. With all hell breaking loose, and the National Guard on the way, Sheriff Pickens has enemies everywhere he turns. And for a lawman under siege, survival means fast thinking, straight shooting--and breaking a law or two himself. . .
