Springer Publishing Co Inc, United States, 2010. Hardback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. [This book] provides a comprehensive understanding of the opportunities for all of us working with vulnerable populations to develop thoughtful, workable programs. The topics presented are not limited to the severely mentally ill, but it is an encyclopedia of resources and creative options for service to veterans, the homeless, the elderly. This book challenges us to think creatively and develop programs and services for the people in our society who are most often overlooked and forgotten. Alan E. Siegel, Ed.D. Chief, Mental Health Service, MIT Assistant Clinical Professor of Psychology, Department of Psychiatry, Harvard Medical School [This book is] the perfect primer for anyone seeking to understand the latest trends in psychiatric care for vulnerable people today. Ted Houghton - Supportive Housing Network of New York It is rare for a single book to discuss innovative practices that affect such a broad array of vulnerable groups, including children and families, older people and people with severe mental illness. Together, these essays allow readers to identify similarities and differences with regard to the needs of these populations, the conditions that may exacerbate their problems, and the adequacy of the programs and services designed to address their needs. It also may help readers identify lessons from innovations targeted at one group that may be helpful in another policy arena. Michael K. Gusmano, PhD Research Scholar The Hastings Center Vulnerable populations typically present with multiple overlapping issues, such as poverty, substance abuse, mental illness, or other health issues that require varying services and treatments. This book provides students and professionals in health care and service delivery with innovative programs and models to address the needs of these...
