Thinking Out Loud (Paperback)

By Aarushe Sharma

Partridge India, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Thinking Out Loud brings forth the various shades of the world and the undeniable repercussions we are all, at some point of time or the other, scared of. The book tries to capture what traps my soul at many moments. Like any other writer, words mean magic to me, and they matter. They matter to an extent that some days are spent in an attempt to steer clear of the vague fantasies that words present themselves in. And if you could spare me one question, is it true that we all fail for once and give away entirely what belongs to us only to surrender the next time and maybe win the next time? We will never find out! So I shall leave this up to you-the reader, to analyze what ticks us and what leads to the most beautiful mixtures of emotions one can only feel.
