Our worst enemies are those we least suspect, ourselves. That was the statement said by one of the world wisest man that ever lived (Ivan Panin) .I can now safely says that I agree with him. They say prevention is better than cure. That is true but when you have lived long enough, you begins to understand that in life there are circumstances you may find yourself in but with no control over them. No matter how wise or clever you may be, you ll find that they can t be solved in a day. I call that the dark side of life. Continue reading because I will take you step by step until you break free from the dark side and the trauma it causes. You may be a life planner and everything has been going according to plan. Yes you need this book. If your life is running smoothly then just put it in a drawer or somewhere safe because I assure you that when the dark hits you, you won t see it coming. Life has a way of being its own school master. Life has principles and timeframe that no one controls. With no degrees, diplomas or PhD, life will teach you something. Our grandfathers and grandmothers never went that far with education but if you listen to them, they will teach you things we were never taught at school. I believe that God will help you as he helped me when I was in my darkest hours of my life and the same methods and strategies I give to you.
