Dr. Callahan's method works' - From the foreword by Dr. Earl Mindell. Thought Field Therapy (TFT) is a cutting-edge treatment you can use to conquer emotional distress, including phobias, anxiety, stress, compulsions, and addictions. TFT is based on the time-honored principles of both contemporary clinical psychology and Chinese medicine. TFT is a drug-free method of literally tapping into the body's energy and clearing up blockages - without using acupuncture needles, drugs, or any other invasive means. TFT can provide emotional renewal quickly and safely, with no side effects and without having to go through years of therapy. In "Tapping the Healer Within", you'll find the tools to use this powerful method for yourself and discover how TFT can change your life for the better.
