Reviews

Merely no phrases to spell out. I actually have read through and i am certain that i will gonna study once again again later on. You wont truly feel monotony at at any time of your time (that's what catalogues are for about should you check with me).

(Jaiden Konopelski)

ROMAN BRITAIN AND EARLY ENGLAND 55 B.C.-A.D. 871 NORTON LIBRARY HISTORY OF ENGLAND

W. W. Norton & Company. Paperback. Book Condition: New. Paperback. 292 pages. Dimensions: 7.6in. x 5.0in. x 0.8in. An excellent introduction to an obscure and difficult period. The Economist By the time of Caesars first expedition to Britain in 55 B. C. , migratory movements had established close ties of kinship and common interest between the peoples who lived in Gaul and some of the inhabitants of Britain. Because the source material is so meager for much of early British history, Mr. Blair is careful to explain just how scholars have arrived at an accurate knowledge of the first 900 years. The real history of Britain begins with the Roman occupation, for the Romans were the first to leave substantial documentary and archaeological evidence. After the governorship of Agricola the written sources almost entirely disappear until the early Anglo-Saxon era of the fifth century; but archaeologists have been able to gather a great deal of information about the intervening centuries from excavations of old walled towns, roads, and fortresses dating from the Roman period. Mr. Blair skillfully describes the transition from Roman to Saxon England and shows why Rome's greatest legacy to her former colony Christianity flowered within Anglo-Saxon culture. The source material on Saxon England is mainly documentary, as these new inhabitants built in wood and little archaeological evidence has survived. However, Bede's Ecclesiastical History of the English Nation and other great Christian writings, the Anglo-Saxon Chronicle, Beowulf, the stories of Caedmon, and other poems and epics in the Germanic minstrelsy tradition, have revealed much about English economic, social, and cultural life up to the accession of Alfred the Great. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
