Brand New Book ***** Print on Demand *****.Excerpt from The Book Unsealed: An Exposition of Prophecy and American Antiquities, the Claims of the Book of Mormon, Examined and Sustained The author of this little work makes no claim to scholarship in the presentation of its pages, and prefers that it shall be judged by the measure of truth it contains, rather than by its quality as a literary production. For years past he has waited patiently, hoping that some of the household of faith would recognize the necessity for such publication, and supply the demand for a work of this kind; but none so far has appeared. Under the solicitations and encouragement of kind friends, he now essays to present a brief exposition of the subject, leaving for abler pens, the preparation of more elaborate and exhaustive work. He has endeavored to furnish a compact array of evidences clearly and tersely; so that it may prove itself a helper to the defender of the faith, and a blessing unto the seeker after truth. Just the degree of success he has attained in his efforts, if indeed any at all, remains for the future and the candid public to determine. Matter contributed and aid rendered by Elder T. E. Lloyd of Independence, Mo., is most cheerfully acknowledged. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
