Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: Russian . Brand New Book ***** Print on Demand *****.My book, Reading with love, based on understanding of how children learn, what interests them. The child learns letters, syllables, later begins to read short words. And then we can try to read short sentences. But early education is not possible without support and love of parents. This book contains exercises and texts for reading, also guidelines on how to learn to read with love.
