Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Letters to Stella is the first book created for the Healing Together series, which is an ongoing project that was born from the author s participation in the Landmark Self Expression and Leadership Program (01-25-14). Estella Delgadillo Perez (Stella), born March 4, 1970, was taken from us too soon by breast cancer on June 3, 2013, but while on Earth, Stella was able to touch, move and inspire those she came across, even if it was for a brief moment. This book is one part LETTERS written by Stella s loved ones who chose to contribute to this project and one part PHOTOS of this beautiful woman. It is the author s way of making sure memories of Stella live on forever and are shared with others. Those who have lost a loved one can hopefully relate to not wanting to forget that individual. An education fund created by Stella s longtime friend and TBG West family member, Charlotte Ellevold, has been set up for the two children Stella left behind (Jorge Perez, III and Jazmin Perez); if you wish to contribute please make your check payable to VANGUARD 529 COLLEGE SAVINGS PLAN and mail to: TBG West 6077 Bristol Parkway Culver City, CA 90230 They say: It takes a village to raise a child. This is just one way - all profits from sales of this book will be given to Stella s two children and husband, Jorge Perez. Thank you for your consideration.
