## TAX ADMINISTRATION: PROCESS USED TO REVISE THE FEDERAL EMPLOYMENT TAX DEPOSIT REGULATIONS: GGD-95-8

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 42 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. Pursuant to a congressional request, GAO reviewed the revised federal employment tax deposit regulations issued by the Department of the Treasury and the Internal Revenue Service (IRS) on September 24, 1992, focusing on: (1) whether the Treasury and IRS developed the regulations by applying principles from the IRS Compliance 2000 initiative; (2) how the revision process could be improved; and (3) how Treasury and IRS officials know when their efforts to develop and revise regulations result in regulations that are sufficiently simple and easy to follow. GAO found that: (1) the new tax deposit regulations are considered to be significantly simpler and easier for stakeholders to understand and comply with than the proposed regulations; (2) the new regulations provide most employers with a fixed deposit rule that they can follow for an entire calendar year; (3) in keeping with Compliance 2000, IRS obtained stakeholders input throughout the revision process; (4) although stakeholders are satisfied with the final employment tax deposit regulations, certain stakeholders are dissatisfied with various aspects of the regulatory development process; (5) although Treasury and IRS officials are not always able to interact with all stakeholders to the extent the stakeholders desire, Treasury and IRS officials could improve their future communications with stakeholders by directing drafters attention to stakeholders concerns; and (6) IRS officials used some measures to gauge the simplicity of the revised regulations and to balance simplicity with other regulatory objectives while revising the employment tax deposit regulations. This item ships from La Vergne, TN. Paperback.
