SEX AND THE INTELLIGENCE OF THE HEART: NATURE, INTIMACY, AND SEXUAL ENERGY

Inner Traditions Bear and Company. Paperback. Book Condition: new. BRAND NEW, Sex and the Intelligence of the Heart: Nature, Intimacy, and Sexual Energy, Julie McIntyre, Many a couple has been overcome by passion while walking in the woods or on the beach; many a soul has found solace or epiphany in Nature. Living in accordance with Nature depends on you being your true, whole self--a sexual, sensual, erotic, fully alive human being. Exploring the territory of intimacy, sacred sex, and emotional healing as a journey to wholeness, Julie McIntyre examines the sacred relationship between sexuality and the Earth and reveals how to create deep, lasting intimacy with your lover by recapturing the wild, spontaneous, natural sexuality that is your birthright. Detailing the process of moving from your head to the secret garden of your heart, she provides exercises to heal your psyche of old emotional trauma, reconnect with the intuitive intelligence of the heart, and cultivate a deeper relationship with the Earth in order to trust yourself and become vulnerable and open with your lover and thus truly intimate. She shows how there is a direct relationship between our beliefs and values about sex and intimacy and our beliefs and values about the environment and the Earth. She reveals how, by healing our separation from Nature and our sexuality, we can bring the sacred back into our lives, shape our own ecstatic sexual experiences, and move toward healing the whole planet.
