Excerpt: . PART VI. i. What Was The Bible Meant to Teach? LET us now examine the claim that nothing has or > can hurt the bible, and that this fact is the proof of its divinity. We will have no trouble in proving to the reader, that, in spite of the most expensive and extensive protection which the bible has enjoyed for centuries, criticism has compelled it to part, one after another, with all its claims. The science of the bible, for instance, has been thoroughly discredited. Its story of creation and of the origin of man has been everywhere replaced by the truer revelation of science. Darwin has placed Genesis on the shelf. The fire of criticism has irrevocably destroyed the Mosaic narrative. Inspiration has gone down before investigation. There is not a single institution of learning which accepts any longer the bible...
