

Forging an American Grand Strategy: Securing a Path Through a Complex Future (Paperback)

By National Defense University

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.On November 8-9, 2011, the National Defense University (NDU), Washington, DC, held a conference entitled Forging an American Grand Strategy: Securing a Path Through a Complex Future, which I had the privilege of chairing. For more than 2 decades, I have been studying the mechanisms and methods we use as a nation to develop and conduct grand strategy. The conversation that began at that conference needs to be further developed and continued. More importantly, we, as a nation, need to explore together the path ahead and answer questions regarding how and why we struggle with grand strategies. If developed and executed with a systemic orientation, grand strategies could help us shape our future in an ever changing and complex world. This volume represents a compilation of some of the presentations given at the NDU conference. It also represents the great diversity of opinions regarding this subject. For more than 2 decades, it has been evident to many that the United States needs a new framework for a grand strategy, especially since the containment strategy of George F. Kennan...
