Vr Unipress, Germany, 2013. Hardback. Book Condition: New. 1. Auflage.. 246 x 164 mm. Language: German,English Brand New Book. English Summary: At the seventh Bonner Gespräch zum Energierecht in November 2012 once again well-known academics as well as members of all involved industries met in Lerbach to discuss todays questions of the internal energy market in Europe. However, as usual, not only legal problems were adressed, but the relevant questions were also being looked at from an economic point of view. The papers deal with the recent legal and political changes from various angles. The first two papers discuss the fundamental legal and constitutional implications whereas the following papers address specific problems such as the eventful and changed relvenance of nuclear power and the future of the German tax on nuclear fuel rods. The last two papers deliver an insight into the regulatory practice and strategies of power companies to deal with the legal framework. German Description: Das reformierte Energierecht gibt dem Staat ein erstaunlich grosses Interventionsinstrumentarium an die Hand. Die rechtswissenschaftlichen Fragestellungen wurden daher auch aus volkswirtschaftlicher Sicht und im Hinblick auf ihre europäischen Konsequenzen betrachtet. Professor Dr. Udo Di Fabio nahert sich dem Generalthema Veranlassung und Verantwortung aus...

Reviews

A brand new e book with a brand new standpoint. I have read through and that i am certain that i am going to gonna go through again once more in the future. Its been developed in an remarkably simple way in fact it is merely right after i finished reading through this book in which basically modified me, modify the way in my opinion.
