Whether you are victim or victor everyone can benefit. MindCRAFT unveils cookie cutter training tools that forever shatter limits we believe. We must begin teaching these tools beginning early on to empower our broken with these critical life-sustaining skills. There are escalating fears, and increasing accounts of those who are lost to bullying, abuse, gangs, trafficking, violence and crimes. The true reality is it s reaching epidemic proportions. Sadly, many parents are incapable of teaching these life-sustaining skills to their children for one reason or another. Some have addictions or mental illnesses, and some are just evil and selfish. For whatever reason, children who are product of these environments are at especially high risk. Turn the news on any given day, statistics show there s more and more disturbing evidence that mental illness is increasingly on the rise. Most recently, highlighting the shooting in a New Orleans theater where innocent people simply going for an evening out, instead.became senseless victim to murders and tragedy at the hands of mental...
