Reviews

A must buy book if you need to adding benefit. It really is simplified but unexpected situations in the 50 percent of your book. Its been developed in an exceptionally straightforward way and it is merely soon after i finished reading through this pdf where in fact transformed me, modify the way i think.

VIRTUAL MEDICAL OFFICE FOR INSURANCE HANDBOOK FOR THE MEDICAL OFFICE (USER GUIDE AND ACCESS CODE), 12E

Saunders, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Gain realistic experience in a physician's office without leaving the classroom! Virtual Medical Office combines your Fordney: Insurance Handbook for the Medical Office, 12th Edition textbook, a study guide, and online software to help you develop the critical thinking and decision-making skills you'll need on the job. With 15 virtual patient encounters, Virtual Medical Office begins each study guide lesson with a reading assignment from the text, and then provides exercises offering practice in coding procedures and diagnoses, filing insurance claims, troubleshooting rejected claims, catching common coding errors, evaluating the office's compliance with HIPAA, keeping the policy manual up to date, and much more. Virtual Medical Office provides a safe environment in which you can practice what you are learning in the text! 15 unique cases highlight CAAHEP and ABHES competencies with specific exercises relating to different payers, different billing situations, and common coding errors. More than two hours of video clips include five videos for each case: one at check-in, three in the exam room, and one at checkout. Realistic information resources include medical records for each case, an office policy manual, a fee schedule, a daysheet, and more. A study guide (available in print and on the companion Evolve website): Complements textbook content through lessons that correlate reading assignments with patients in the virtual practice. Promotes active learning as you collect information from a variety of sources to make coding and billing decisions. Encourages critical thinking as you discuss and troubleshoot the documentation of the medical records. Contains common coding errors that you must spot and correct, as in real practice. Augments knowledge of HIPAA by comparing the policy manual, the contents of each case's medical record, and what actually happens in...
