The time frame spans a little over a year from 2011-2012, and takes place at the time of the 10 year anniversary of 9-11, in Central Texas. It is a short collection of essays about all that happened All At Once during the deployment to Afghanistan with the Texas Army National Guard s 111th Engineering Battalion. The reader is invited to step into the shoes of a middle aged couple who make a leap of faith into ministry with soldiers who are young enough to be their own children. Yet, the focus of the work is on the home front, and all the daily struggles that in the end reveal the faithfulness of God. Find out how God, through family, friends and the Christian community (the Church) gave courage and strength to face some very difficult days.
