Science now shows evidence that traditional strength training is surprisingly ineffective, producing disappointing results in proportion to the amount of time required. Recent studies have also revealed that almost everything we know about nutrition is wrong. This book will give you the edge and the answers to finally deliver the success you have been seeking. Cracking your Calorie Code encompasses many aspects of fitness and fat loss to truly deliver the results you have been after for so long. specific instructions and answers to many different topics are within these pages. Topics include: AbCracking your METABOLIC code Cracking your BODY TYPE codeCracking your HUNGER code Cracking your STRENGTH codeCracking your CRAVINGS code Cracking your CARDIO codeCracking your MENTAL code Cracking your FITNESS PLATEAU codeCracking your FAT BURNING code Cracking your FLEXIBILITY codeouT The auThoRPJ has been a personal trainer and nutrition counselor since 1987. All of his strength training methods, nutrition information, and cardio protocols are derived from the latest scientific researchand inspired by thousands of questions he has received from his clients and weekly radio talk show listeners. PJs clients were his first guinea pigs in his own exercise method development. The methods proved so effective that PJ opened his first personal training studio in 1998 called the X Gym. since its inception, the X Gym has continued to expand exponentially, fueled by the efficient workouts, and spread almost exclusively by word-of-mouth testimony from satisfied clients. The X Gyms have been featured on local and national media over the years because of their innovative concepts and short...
