TALES FROM THE HILLS HOLLERS (PAPERBACK)

Tate Publishing Enterprises, United States, 2011. Paperback. Book Condition: New. 211 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.There are legends and stories and yarns and sayings and, finally, truths. But these truths might not quite meet the criteria for presentation as evidence in a court of law. With the flair of a true storyteller, Arlen Davidian expertly weaves together the tales he has encountered to create a patchwork portrait of life in rural Arkansas. Each life-the hobo, the Civil War soldier, the foreign exchange student, and the housewife-is captured vividly in the stories that Davidian relays. Whether they seem like hard truths or tall tales, each story gives the reader insight not only into the people of rural America but into the common heart of humanity. Readers may find that the Tales from the Hills and Hollers are not so different from the tales they too could tell about family members, neighbors, and friends.
