Everything was great and then one day - something changed. A mission wasn't completed, his thoughts changed, his outlook changed, and he became a fugitive of his own company. In his memoir he tries to break down exactly what happened and takes you on his journey from start to finish in a wild ride. Mark Allen's debut book is full of twists and turns through a violent bloodbath full of greed, power, and lust. Reader's are left with the struggle of who to root for and ask themselves - is Wolf really who he portrays himself as?.
