GRIN Verlag Dez 2011, 2011. Taschenbuch. Book Condition: Neu. 210x148x2 mm. This item is printed on demand - Print on Demand Neuware - Research Paper from the year 2009 in the subject Business economics - Business Management, Corporate Governance, grade: -, Dr. M.G.R. University, course: MBA, language: English, comment: A good paper based on research , abstract: Corporate Social Responsibility (CSR) is becoming most popular and a must for many companies. This CSR means not only doing some community service or social service or maintaining business ethics etc. Apart from the social good brought about by it, CSR also makes business sense. IT companies in India are increasingly sending out this message and a growing number of companies and institutions in India are seeking to link their own growth and survival to the social cause that they are promoting. CSR is generally understood to be the way in which a company achieves balance or integration of economic, environmental and social imperatives while at the same time addressing shareholder and stakeholder expectations. It helps make inroads into areas where a company might otherwise not have had a presence, building a talent tool, capacity building in communities, being perceived as a socially responsible...
