By Danielle Sainte-Marie

Lulu.com, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In An Open Book is a Mind about to Soar, Danielle Sainte-Marie offers up poetry and short stories for young adults, primarily ages 8-13. Sharing this book with your loved ones is a great way to introduce them to complex phrasing, challenging words, and metaphorical ideas. This book teaches: 1. The importance of finding your talents and interests and pursuing them. 2. Learning to see life with a renewed interest and wonder. 3. Celebrating love and acknowledging the feelings of one s first teenage crush. 4. How to utilize perspective to see any situation as you wish. 5. The importance of having fun and being a bit silly at times. This is reflected in a nonsense poem I included. 6. The big question of death is dealt with; the book teaches that without death there is no life, and that we are all part of one big ecosystem, and so, it is what it is and we must go on--hopefully, with a smile.
