THE BESTIES GROW UP (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Sawyer s Crossing is nestled in the middle of a Southern Oregon valley that has just enough agriculture to have opened up the terrain to views of the surrounding wooded hills. A river winds through it. It had been a timber mill town back when there were more trees to cut, but now the biggest crop is marijuana. It s home to Amelia, Joni, Abby, Sky and Maria: five girls who d been friends since they were three years old. But, their differences are becoming increasingly evident through the course of their adolescence. Amelia s striking appearance has always had boys eager to date her. It isn t as easy for her to stay a virgin as it is for the rest of her friends and sex gives her an exciting rush of power. But, Amelia doesn t realize how important friends are until she betrays her closest one and finds out that her relationships require more thought than she d given them. Joni is the dynamic leader of the group. She s smart, attractive, and the best athlete in the school. She loses her way completely after Amelia betrays her and finds herself stuck with an alcohol problem, just like the negligent parents she d tried so hard to leave behind. Abby always had an eye for adventure and she starts breaking rules as soon as she figures out how to escape her mother s abusive control. Life s more fun that way, even though it s also a lot more dangerous. She s jealous of Amelia s luck with boys and she hangs on tighter than she should when she starts landing ones herself, finding herself...
