Reviews

Unquestionably, this is actually the greatest function by any writer. We have go through and so i am confident that i am going to gonna read through once more once again later on. I am just happy to explain how this is actually the very best book i have got go through during my individual existence and might be he greatest ebook for ever.
(Wilbert Connelly)

MUSLIM COMMUNITIES IN NORTH AMERICA (PAPERBACK)

State University of New York Press, United States, 1994. Paperback. Book Condition: New. New.. 230 x 150 mm. Language: English . Brand New Book. This book provides the first in-depth look at Muslim life and institutions forming in North America. It considers the range of Islamic life in North America with its different racial-ethnic and cultural identities, customs, and religious orientations. Issues of acculturation, ethnicity, orthodoxy, and the changing roles of women are brought into focus. The authors provide insight into the lives of recent immigrants who are asking what is Islamically appropriate in a non-Muslim environment. Contrasts are drawn between Sunni and Shi i groups, and attention is given to the activities of some Sufi organizations. The growing Islamic community among African-American Muslims is examined, including the followers of Warith Deen Muhammed and the sectarians identified with black power, such as the Nation of Islam, Darul Islam, and the Five Percenters. The authors document the challenges and issues that American Muslims face, such as prejudice and racism; pressure from overseas Muslims; dress and education; the influence of Islamic revivalism on the development of the community in this country; and the maintenance of Muslim identity amidst the pressure for assimilation.
