The National Administration of the United States of America (Classic Reprint) (Paperback)

By John A Fairlie

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The National Administration of the United States of America Such a study should be of service not only for itself, but also as a model, to some extent at least, for State and local administration. For, with its defects, the national administration presents an organized system, where responsibility can be fixed and a fair degree of efficiency secured; and contrasts sharply with the disorganized and heterogeneous mass of administrative officials in our states, cities and other local districts. And it may be hoped that an orderly presentation of the national system may have some influence in securing a degree of organization where there is now little but chaos. In the main the book has been written from the primary official records: the Constitution of the United States, the statutes of Congress, administrative reports and judicial decisions. But I have not hesitated to make use also of statements from unofficial sources written by those who have had opportunity for more thorough observation and investigation in particular branches of the administrative service than is possible for any...
