Goals help us get to and through college and can add to investment and business success. But goals can also lead us to ignore the present; to miss out on great opportunities that are right before our eyes. In the story, we follow the little triangle as it confronts each edge of that sword. Call it simple; call it profound. I call it a delightful, encircling treasure! I call it stunning, too. The customers found me dazed and smiling. Pat Brenden, The Book Sampler.
